An Act To Make Supplemental Allocations for the Expenditures of State Government, Highway Fund and Other Funds, and To Change Certain Provisions of State Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2008 and June 30, 2009

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period may not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of state departments and institutions will become due and payable immediately; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. Supplemental allocations. There are allocated from various funds for the fiscal years ending June 30, 2008 and June 30, 2009, to the departments listed, the following sums.

ADMINISTRATIVE AND FINANCIAL SERVICES, DEPARTMENT OF

Initiative: Reduces the headcount in the Highway Fund for 2 positions that were transferred from the Bureau of General Services, Buildings and Grounds Operations account in the Highway Fund to the same program account in the General Fund in Public Law 2007, chapter 329, Part A. The headcount was correctly adjusted in the General Fund but not the Highway Fund for these 2 positions.

Initiative: Provides funding for a projected 60% rate increase in electrical charges paid by the Bureau of General Services for state-owned facilities. It is projected that the fiscal year 2007-08 expenditure will result in \$800,000 of additional undedicated revenue to the General Fund in fiscal year 2008-09 from the State Cost Allocation Plan.

An Act To Make Supplemental Allocations for the Expenditures of State Government, Highway Fund and Other Funds, and To Change Certain Provisions of State Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2008 and June 30, 2009

Initiative: Provides funding to correct the deallocation in the Highway Fund Salary Plan program that was made in error in Public Law 2007, chapter 452. The intent of the legislation was to allocate funds to cover the additional costs of health insurance to the State resulting from the requirement to provide coverage for hearing aids for persons 18 years of age and under. This request is offset by the lapsing of \$6,000 from the Highway Fund Salary Plan program, as reflected in Part F of this Act.
